## Take Advantage Of Your Dental Benefits!

We are approaching the end of the year and the holidays will be here soon. I would like to inform you to take full advantage of any dental insurance benefits you may have. Many people do not realize that insurance companies make millions of dollars off of patients that do not use their dental benefits. Whether you have a Flexible Spending Account (FSA), Health Savings Account (HAS), or a dental insurance plan, if you **do no use** these benefits **you will lose** them. Unused benefits do not carry over to the next year! You've worked hard for them. You've earned them. So go ahead and use them. If You need work done, now is the time to call and schedule your appointment. I have directed Cathy to give priority to insurance patients by rearranging our schedule where possible to get you in before the end of the year.

Call Cathy today for your appointment, or ask her if you have any questions about your remaining benefits.

Sincerely,

*Philip S. DeSenze, D.D.S.*
